

TECHNICAL REQUIREMENTS

The Presenter shall provide or obtain at its expense a theatre, equipment and crew according to the following minimum specifications:

THEATRE AND STAGE

The Company shall have exclusive, unrestricted access to the theater, stage, equipment and dressing rooms for not less than eight (8) hours prior to the first performance, and ending four (4) hours following the final performance.

The stage and wings must be cleared and in readiness prior to the arrival of the Company. The stage area, wings, and dressing rooms must be heated or cooled to 68° - 78° F.

The minimum stage area should be 33' wide (proscenium opening) by 26' deep (curtain line to rear curtain) with the proscenium opening at least 17' high, with a stage height of at least 3'.

Two (2) risers with the dimensions 4' x 8'. All risers should be skirted with black skirting at least on the front and two sides.

Two (2) risers with the dimensions 8' x 8'

One (1) 6.5' x 6.5' roll black, low pile carpet

The stage floor must be resilient wood, with a non-slip, black-painted finish preferred. The floor cannot be concrete or wood laid directly over concrete. The surface should be smooth and, for the artists' health and safety, it is imperative that the stage floor is free of any holes, cracks or protrusions. The stage will need to be swept and freshly mopped (not waxed) before the spacing rehearsal, and dry mopped before the concert and at intermission, and if necessary, at the company production manager's request. No Marley or vinyl floor covering is required.

DRAPERIES

All draperies should be hung prior to the arrival of the Company.

LIGHTING

The Company's light plot must be accurately hung, circuited, and patched prior to the arrival of the Company.

SOUND SYSTEM

TECHNICAL CREW

Load-in

Approximately eight (8) hours

One (1) Lighting Technician familiar with the venue

One (1) Sound Technician familiar with the venue

Load-out

Approximately four (4) hours

Two (2) experienced stage crew familiar with the venue

The exact crew/work schedule will be finalized after consultation between the Company's and Presenter's tech directors.

SET AND WARDROBE FREIGHT

4 x touring road cases with a total weight of approximately 607 lbs.

HOSPITALITY

Upon load-in, a deli tray with meats, cheeses, bread, crackers, raw vegetables, dips, fresh fruit, cookies, or comparable meal sufficient for up to 7 people would be appreciated. Beverages such as: diet soft drinks, juices, hot tea, and coffee would also be appreciated if possible.

Plenty of **bottled water** (preferably at least 40 chilled bottles) would be appreciated upon arrival.
